## Welcome to ITMA 2019!

Dear Customers,

In a few weeks' time, the doors will open at the 18th ITMA in Barcelona and more than 1,600 exhibitors from 46 countries will be waiting to present their latest products for the entire textile value added chain. We also look forward to greeting you from 20 to 26 June 2019 on our spacious stand (A 107 in Hall 4), which will represent our response to the "Innovating the World of Textiles" motto of this year's fair and apart from our newest product innovations, will demonstrate interesting solutions and applications for the Fourth Industrial Revolution.

For a sneak preview of what is to come, simply click onto our [nfm.swiss](http://nfm.swiss) website.

Look in on us and gather information. We look forward to seeing you again and would like to take this opportunity to cordially invite you to enjoy an “apéro riche” on our stand.

You are sure of a warm welcome!

Yours sincerely,  
Robert Reimann, CEO
